

CHURCH SEATS AND CHURCH PEWS

New Styles Cheap and Endurable.

Comfort and Beauty Combined.

UNTIL the large number of people who are never seen in churches can be assured that every church in this vicinity will have a set of seats that will be clean, comfortable and inviting, they will not be seen inside a church. Many churches will supply this long-felt want if they could do so at prices and on terms within their reach, thus increasing their attendance, drawing on the unusually large number of people who do not attend the churches, and which would evidently result in every service being crowded. A barrier has been in the way in the form of high prices, shoddy goods and no terms. This barrier has been removed by the Church Supply Department of the National Baptist Publishing Board, which has presented the new style church seat (its own creation and its own make). These seats are constructed of the best grade of hardwood. They are built by the best skilled mechanics and have proven to be the most comfortable ever offered at the prices. The terms on which they can be purchased are so easy that any church, regardless of its financial condition, can secure a set of these by a small cash payment, have the seats installed and pay the remainder in monthly or quarterly payments to suit their own financial condition. How long, with such inviting inducements offered, will it be, before every church in and about Nashville will get a set of seats? References can be given to the Nashville churches by referring them to Rev. L. Kirkpatrick, pastor of the St. John Baptist Church, Pearl St.; Rev. J. L. Harding, pastor of the North Third Avenue Baptist Church, both of whom have seated with new style church seats; Rev. G. B. Taylor, pastor of the Second Baptist Church, corner Stevens and DeLuge Sts.; Rev. Wm. Haynes, pastor of Sylvan Street Church, Shelby Avenue, who have installed the church pews.

PULASKI K. OF P.'S HOLD RECEPTION.

Special to The Globe:

Friday night, October 18th, was a memorable date with the Pythians of "Old Giles." Every Pythian's heart welled forth with emotions as big as Aunt Jemima's soap kettle. There was hurrying to and fro—everybody got busy—the occasion being one to do honor to the appointment of Grand Chancellor Sir J. P. Crawford, in the person of Sir A. Thos. Hill, the efficient Keeper of Records and Seal of Maceo Lodge No. 24, as successor to our lamented Sir Knight W. L. Cansler, Secretary of the K. of P. Endowment Bureau.

A grand ovation awaited the invited guests from all portions of the Volunteer State, on hundred and fifty invitations having been issued by Maceo Lodge.

The 7 o'clock train Friday evening assured the Reception Committee that the invitations had not gone out amiss or had not miscarried in the mail. Prominent among the arrivals were Sirs Dr. J. P. Crawford, Grand Chancellor; A. W. Flite, Chairman of the State Delegation, and Jno. Cunningham, Grand Trustee, all of Nashville; Sir S. J. Butler, C. C., of Aspen Hill, and Sir Cortez Sykes, M. A. A., of Athens, Ala. The Reception Committee received telegrams and letters in reply

expressing regrets and stating causes of the inability to be present, from many Sir Knights abroad. The guests were conducted to the office of the appointee, Sir Hill, headquarters for the occasion, where a general hand-shaking and exchange of congratulations were had. A couple of hours were thus pleasantly spent here. Next, they were escorted to the Castle Hall by the Pythian Band and Knights en masse, where they were royally welcomed by Maceo's loved and esteemed Chancellor Commander in the person of Prof. H. H. Thompson, whose administration has endeared him to the members of Maceo Lodge, and is now serving his fourth consecutive term, and who acted as Master of Ceremonies. The following program was carried out, interspersed with music:

1. Welcome Fraters—Sir H. H. Thompson, M. C.
2. Our Progress—Sir N. N. Reynolds, Pulaski.
3. The K. P. Prophecy—Jno. C. Crawford, G. C. C., Nashville.
4. The Order of Merit—Sir A. W. Flite, Nashville.
5. What is Necessary for the Preservation of Unity in Our Ranks?—Sir S. J. Butler, Aspen Hill.
6. The Preservation of Harmony between the Races—Sir T. P. Turner, Pulaski.
7. The Importance of a Board of Trustees and their Duty—Sir John Cunningham, Nashville.
8. Greeting to our Guests—Sir A. Thos. Hill, Endowment Secretary, Pulaski.

The addresses of the distinguished visitors were highly entertaining and instructive. New life is infused in Maceo's gallant band of Knights. They heartily enjoyed the rare treat given them by these dear fraters; they have written high and in letters of burnished gold and indelibly stamped upon their hearts the names of Sir Knights Crawford, Flite and Cunningham, and assure them that the latch string to our generosity hangs on the outside of the residence of every Pythian in Giles.

After the rendition of the program the Master of Ceremonies announced that "From labor to refreshments" was next in order. The invited guests were escorted to the table and seated, the Knights then filing into their places. Grace was said by Knight Rev. A. P. Gray. Then business in earnest began.

First course—Oyster stew and condiments.

Second course—Barbecue (Southern style).

Third course—Cheese, crackers and side streamers.

Fourth course—Clean Sh. Ad Libitum and tapers in colors.

The merry hours closed with the departure for the north-bound train, which bore our guests away from us on their homeward flight. Come again and again. Maceo regretted that all of the one hundred and fifty could not be present. Long live the merry parting.

PEARL HIGH SCHOOL NOTES.

Excitement and enthusiasm have reached a high pitch in this school over the great game of football between the High School boys and the team of Burrell Academy of Florence, Ala., which will be played on the Fisk Campus Saturday, November 9. On account of high railroad rates, the Summer High School of St. Louis declined to keep its engagement and the game was transferred to Burrell Academy. Arrangements have been definitely settled and the game will be pulled off as scheduled. High School pupils have engaged all the tally-hos in the city for the occasion. Pennants, sleeve-bands, hat bands, canes and school colors in great numbers are being made ready for that day. Many out-of-town visitors will be present. Former graduates and undergraduates have written to the principal from Murfreesboro, Winchester, Shelbyville and Clarksville that they will be on hand to yell for the cherry and white. It was at Burrell Academy that the Principal of this school received his early education and it was through his influence and persuasion that the game was given to Florence after St. Louis "skidded."

Mr. A. E. Howell, president of the Board of Education, visited the school on Monday. He congratulated the principal and faculty upon their work, and spoke also in high terms of the Manual Training Department. Mrs. Lawrence Lewis, mother of Master Mercer Lewis, a pupil in the 9th B grade, also honored the school with her presence on Tuesday.

The front fence and the tin roof of the building are now looking new and pretty, since receiving a fresh coat of paint. The school painters have spent about three weeks around Pearl and are not yet through with their work. The principal visited a local wall paper establishment on Monday and selected material for papering the rear hall of this building.
